

Preventative Maintenance Partnership

The Preventative Maintenance Partnership provides on-site maintenance service only and is available for most instruments. This is a lower-cost option if you prefer on-site service and do not need the repair coverage included with the premium service plans. Any necessary repairs are billed separately, so additional costs may be incurred.

Benefits

- Optimizes instrument performance
- Peace of mind that critical maintenance is done right
- Prevents issues & extends instrument life
- Maximizes time for other priorities
- Immediate resolution to most issues over the phone

Service Plan Highlights

- On-site maintenance, calibration, and certification service with various options for number of annual visits
- Advanced maintenance leverages tools and in-depth diagnostics exclusive to Hach Service
- Travel cost included
- Priority status for remote troubleshooting with live technical specialists
