

The ProtectionPlus Plan is a five-year, non-renewable, repair-only plan available for select instruments at the time of purchase. It covers any needed repairs at the Hach Service Center and essentially acts as an extended warranty. If you value annual maintenance, calibration, and certification service, we recommend the Bench Service Partnership.

Benefits

- Protects your investment
- Assures you have an operational instrument to deliver the measurements you depend on
- Eliminates unforeseen repair parts & labor expense

Service Plan Highlights

- Repairs at the Hach Service Center for five years after purchase
- Priority 5-business-day turnaround (not including shipping time)
- Free second-day return shipping
- Priority status for remote troubleshooting with live technical specialists
